## Art of Letter Writing.

The art of letter writing is well defined by James Howell, who held that a true familiar letter is the art of expressing one's mind as if he were discoursing of the person to whom he writes in succinct and strict terms.

## Apothecaries of Old.

In Biblical times a person whose business it was to compound ointments was called an "apothecary" (Nehemiah 3:8; Ecclesiastes 10:1). The work was sometimes carried on by women "confectionaries." (I Samuel 8:13).

## Proud of His Ignorance.

"Do you know anything about the stock market?" "Not a thing. That's one place where I am sure ignorance is bliss."

## Wisdom.

"To finish the moment, to find the journey's end of every step of the road, to live the greatest number of good hours, is wisdom."—Emerson.

## Unique Among Magazines

Probably Joe Mitchell Chaplin known personally more famous people than any other man in the world.

Other magazines have their place in fiction and fact, but the National Magazine is different. Every month for twenty years, it has made a trip to Washington to obtain material for his "Gossip at Washington" department. You can hear him 13 times a year through the pages of **The National Magazine** and enjoy the many timely, interesting talks and special articles on the big men and affairs of the day. The National follows no rule. It is the very life of the magazine world. It takes you over wide stretches of territory. It sets you down suddenly face to face with a big fact. It keeps close to human impulses. People usually like it. It "boasts" life is every week. It is not a palliative, but a blood and iron tonic to every person—man, woman, child. No matter where you live, the National will do you good. Write today for a copy and send no money until you have read the magazine and know you like it. For \$1.00, every four months, you can become a regular subscriber to the National Magazine. **NATIONAL MAGAZINE**, Boston, Mass. Publishers "Hunt & Thayer" and "Hunt & Thayer"

Among the many monuments to General Sherman, the one situated in Calvary Cemetery, St. Louis, is a most unique, compelling design. The very character of its architecture seems to emphasize the faithful and honorable spirit of this old warrior.

**We believe in being faithful to a trust. We believe in being honorable in our dealings. We do a high-charactered work at a reasonable price.**

## Better Banking Service for Farmers

A vast fund, now aggregating a thousand million dollars has been assembled by Act of Congress to stand back of the farming and business interests of the country.

This fund is the Federal Reserve Banking System, of which we are a member, and it enables us better than ever before to supply our farmers with the credit and currency they need for producing crops and to protect them against disorganized markets.

If you are not linked up with this system as one

of our depositors come in and let us tell you how it helps you.
